PROFESSIONAL SUMMARY

Software Engineer and Full Stack Developer passionate about software innovation. Specialist in designing robust web architectures (React, Node.js), deploying ERP solutions (Odoo), and integrating AI technologies (OCR, RAG, LLMs).

PROFESSIONAL EXPERIENCE

Senior Full Stack Web Developer

Sept. 2024 - Mar. 2026

Siantou University Institute

Yaoundé, Cameroon · On-site · Full-time

Led the project development team. Analyzed functional requirements, handled back-end/frontend development, and integrated cross-module workflows.

- Key achievements: Academic tracking, teacher recruitment, scheduling, payroll, exams and document requests.
- Mentorship: Trained and guided intern developers.

Full-Stack Web Developer

Sept. 2019 - Jul. 2024

DIGITRADE

Douala, Cameroon · Full-time

Project: Digitalization of the transit process and cargo tracking system.

- Development: Built REST APIs (Node.js), interfaces (React, Angular), and WebSocket for real-time communication.
- Visualization: Integrated Amcharts.js to represent customer transactions and key performance indicators (KPIs).
- Stack & tools: MySQL, SCSS, Bootstrap, UML, Agile/Scrum, GitLab.

KEY PROJECTS

Transit Management & Tracking App (Node.js & React)

Web platform for real-time tracking of transit cargo with analytic dashboards and tracking metrics.

Document Request Management (Odoo & Postgres)

Designed a multi-level validation workflow for official academic documents with a comprehensive audit history.

Teacher Recruitment (Next.js & Odoo)

Web application for teacher applications featuring dynamic multi-step forms and Odoo HR profile synchronization.

OCR & AI Platform (React, Node, OpenAI)

Intelligent tool for automated extraction and semantic classification of scanned documents using vision models and LLMs.

SKILLS

Frontend

React · Next.js · TypeScript · Tailwind

Backend

Node.js · Express · REST APIs · Prisma · Python

ERP

Odoo

DevOps & CI/CD

Docker · Linux · Nginx · Git

Artificial Intelligence

OpenAI API · OCR · RAG · LLMs

EDUCATION

Software Engineering Degree

Specialization in Software Engineering

LANGUAGES

French: Native
English: Intermediate
